**ANALYSIS:** (Attach a separate page if necessary)

Sections 1 and 3 describe a new reason for the department to deny issuance of a teacher certificate and for the Professional Teaching Practices Commission to revoke a certificate, for life. Whenever a certificate is denied or revoked, the applicant then may request a hearing on the matter, or take advantage of other due process rights. This legal recourse will result in additional hearings on the certificate denials/revocations and department costs related to the hearings and our attorney's time.

State law required the Teacher Certification unit to be self-supporting. The department may need to adjust the teacher certification fees to accommodate any increases related to this legislation.
