**ANALYSIS:** (Attach a separate page if necessary)

HB 555 allows fines and penalties to be included when setting fees to ensure the total amount collected approximately equals the total actual costs. Under the self-sufficiency statute, AS 08.01.065, licensing programs are responsible to pay their total costs, including investigations and disciplinary actions, yet the fines and penalties collected currently go to the general fund. This bill clarifies the handling of fines and penalties, and also clarifies that all occupations within a Board must support total actual costs of the Board and the Department for all occupations regulated by that Board.

An annual estimate of fines and penalties collected is \$65.9. This is based on an average of fines collected in the last three fiscal years (FY03: \$101.7; FY02: \$35.7; FY01: \$60.4). Fines and penalties change annually depending on the number of investigations and disciplinary actions.
