ANALYSIS: (Attach a separate page if necessary)

This resolution would ask voters in the next general election whether to approve a constitutional amendment that would limit annual appropriations to no more than 5% of the average year-end market value of the Fund for the preceding five years, would specify how earnings of the Fund will be distributed and guarantees a dividend of at least \$1000 per qualified applicant.

This resolution would not affect the budgeted costs to manage and invest the Permanent Fund, nor would it change the amount of income earned by Permanent Fund investments.

See the attached schedule for financial projections of the Fund comparing the "Status Quo" to a 5% POMV spending limit.
