**ANALYSIS:** (Attach a separate page if necessary)

This bill increases the penalty to a C felony for knowingly making a false entry in or falsely altering a public record; or knowingly destroying, mutilating, suppressing, concealing, removing, or otherwise impairing the verity, legibility, or availability of a public record, knowing that the person lacks the authority to do so, if the public record relates to a child under 18 years of age in the care or custody of the state. This crime of tampering with public records is currently a class A misdemeanor.

Anytime a misdemeanor crime is changed to a felony, the costs of prosecution increase. However, the Department of Law does not expect many of these new felony prosecutions to arise, and does not anticipate a fiscal impact from passage of this legislation.
