Part-time						
Temporary						

ANALYSIS: (Attach a separate page if necessary)

The purpose of this legislation is to regulate the use of credit information when it is used by insurers to underwrite or rate a personal insurance policy. To the extent that an insurer's current procedures do not comply with the requirements of this legislation, they will need to submit new filings to amend their procedures. The division anticipates that the review of these underwriting and rating filings will be part of on-going operations.
