**ANALYSIS:** (Attach a separate page if necessary)

This bill would allow the revocation of driving privileges for up to three years of a person who drives a vehicle, including a commercial vehicle, that is involved in a fatal traffic accident if the person is convicted of a violation of traffic laws in connection with the accident, and the violation of the traffic laws was a significant contribution to the accident that resulted in the death of another person.

Because conviction of the traffic offense may result in loss of a valuable license, the person has a right to a jury trial. However, a jury trial on traffic matters is a relatively short time commitment. The Department of Law estimates less than a dozen of these trials will occur statewide per year, and does not anticipate a measurable fiscal impact from passage of this legislation.
