ANALYSIS: (Attach a separate page if necessary)

The bill increases the business license fee from \$25.00 per year to \$200.00 per year. Business Licensing regulation 12 AAC 12.010(a) specifies that business licenses are issued on a biennial cycle, and therefore licensees will be expected to pay \$400.00 license fees upon issuance of new or renewed licenses.

REVENUE:

The revenue increase identified above is based on licensees that would be eligible to renew, assuming that 40% of the 73,000 licensees would not renew due to the fee increase.
