ANALYSIS: (Attach a separate page if necessary)

SB 175 establishes the responsibilities of persons who operate commercial recreational activities and persons who participate in those recreational activities and to decrease uncertainty regarding the legal responsibility for injuries that result from participation in commercial recreational activities. Under this bill, owners or operators of an aircraft or watercraft would not be liable for civil damages of a guest passenger if the owner or operator is not being compensated for the transportation, except under certain specified circumstances.

The Department of Law does not anticipate a fiscal impact as a result of this bill.
