ANALYSIS: (Attach a separate page if necessary)

This bill will likely have a fiscal impact on the operations of the Agency, but it is impossible to determine with any accuracy what that impact will be. Creating numerous felony offenses for death or harm done to an unborn child, mostly at the felony level, will increase the caseload and workload of the Agency. Making it a felony to knowingly cause serious physical injury to an unborn child that is subsequently born alive would certainly have a fiscal impact if it includes children born after inadequate prenatal care. It is impossible however to predict with any accuracy how many new cases this legislation would generate if enacted, therefore an indeterminate fiscal note is submitted.
