**ANALYSIS:** (Attach a separate page if necessary)

This legislation if passed would amend AS 28.35.030 making it a criminal offense to drive under the influence if the person is under 21 years of age, and has a blood alcohol content of .02 or more.

The fiscal impact to the Department of Corrections is indeterminate at this time for several reasons:

Based on data provided to the Department of Public Safety by DMV, there were approximately 82 individuals who may have been subjected to the provisions of this bill had it been law in 2003. It is not known how many of those 82 individuals would have been convicted and sentenced as adults.

Prepared by: Jerry D. Burnett, Director  
 Division: Administrative Services  
 Approved by: Portia C.K. Parker, Deputy Commissioner  
 Agency: Department of Corrections

Phone: (907) 465-3339  
 Date/Time: 2/24/04 10:04 AM  
 Date: 2/24/2004

**ANALYSIS CONTINUATION**

DMV's data also reports that there were about 144 other individuals contacted by law enforcement officers, but the officer determined that there was insufficient probable cause to arrest them and obtain a blood alcohol sample. It could be assumed that some of these persons would have had a blood alcohol level of .02 to .079.

The number of convictions is unknown therefore the fiscal impact to the Department of Corrections is indeterminate.
