This bill will have a fiscal impact on the operations of the Office of Public Advocacy, though the impact will be indeterminate. Amending the minor operating a vehicle after consuming alcohol(MOVAC) offense and related refusal and driving 24 hours after citation offenses to further increase the penalties by setting mandatory fines and mandatory minimum community work service for 1st, 2nd, and multiple offenders will increase the caseload and workload of the Agency. Minors charged with these offenses will be entitled to a jury trial and court-appointed counsel. See Auliye v. State, 57 P3d 711 (Alaska App. 2002); Booth v. State, 903 P.2d 1079, 1087-88 (Alaska App. 1995). More cases involving juveniles charged with these offense will be assigned to the Agency. There were approximately 387 minors in FY03 who had their licenses administratively revoked for driving after consuming alcohol. Of that number approximately 155 were charged with DUI for over .08 alcohol content. As a result, it is conservatively anticipated that there will be over 200 more cases a year assigned public counsel for these offenses because of the increased penalties. The workload on these cases will also increase because of the more severe penalties.
