**ANALYSIS:** (Attach a separate page if necessary)

This bill amends AS 34.45, the Uniform Unclaimed Property Act, to shorten the time periods after which certain unclaimed property is presumed to be abandoned and must be transferred to the state. Generally those properties presumed abandoned after five years will, under this bill, be presumed abandoned after three years. Those properties presumed abandoned after seven years will be presumed abandoned after five years. The first couple of years will see a strong increase in property reported due to the changes in dormancy requiring additional personal and contractual services. Subsequent years should not see major impacts.

Abandoned property transferred to the state averages around \$2.5 million per year. Changing the abandonment time by two years could increase revenue to the general fund for a few years for a total of \$1 to \$3 million. This bill will have no effect on revenue in subsequent years.
