ANALYSIS: (Attach a separate page if necessary)

**** This legislation would change the responsibility of the Alaska Natural Gas Development Authority from reviewing the economic viability of a gas pipeline from Prudhoe Bay to Valdez and a spur from Glennallen to the Southcentral gas distribution grid to including the review of the economic viability of a gas line to tidewater at a point on Cook Inlet.

Since the Alaska Natural Gas Development Authority is already reviewing the economic viability of a spur to the Southcentral gas distribution grid, it is uncertain if additional funds will be necessary to expand that review to include to tidewater at a point on Cook Inlet.
