POSITIONS

Full-time						
Part-time						
Temporary						

ANALYSIS: (Attach a separate page if necessary)

This bill would ban the possession and use of equipment that will activate traffic "preemption" devices if the user is not involved in an emergency operation. The preemption devices send a signal to a traffic light or other traffic control device to give emergency responders priority at intersections that have been equipped with compatible equipment by changing the traffic light or device. Violation of this section would be a class A misdemeanor.

This bill will have no fiscal impact on the Department of Public Safety.
