**ANALYSIS:** (Attach a separate page if necessary)

This bill will likely have a fiscal impact on the operations of the Agency, but it is impossible to determine with any accuracy what that impact will be. It is not possible for the Agency to determine how many traffic preemption devices exist or will be possessed or used in violation of this proposed bill. Creating a new offense will impact the Agency however since it is historically appointed in 80% of the criminal cases charged. An indeterminate fiscal note is submitted.
