FISCAL NOTE #1

**STATE OF ALASKA
2004 LEGISLATIVE SESSION**

BILL VERSION: SB 278

ANALYSIS: (continued)

The bill creates two new fees and increases an existing fee charged by the department:

Section 1: This section creates a \$200.00 fee for amusement devices inspected by the department. This fee is intended to cover costs associated with inspector certification and travel. Estimated receipts are \$10.0 annually.

Section 2: This section creates a \$200.00 certification fee for boiler operator licenses. This fee is intended to cover existing administrative costs associated with issuing the licenses. Positions have currently been held vacant due to lack of revenue. Estimated receipts are \$76.4 annually.

Section 3: This section increases the fees for electrical and plumbing certificates of fitness from \$160.00 to \$200.00. This increase is expected to generate sufficient revenues to add an Electrical Inspector position and associated costs to enforce certificate of fitness requirements and perform inspections. Estimated receipts are \$132.0 annually.
