ANALYSIS: (Attach a separate page if necessary)

This bill would institute a board system for the Guiding industry much the same as had been set up in the past with the "Guide Board". The intent is to shift the direct responsibility for big game commercial service regulations and licensing to the new Big Game Commercial Services Board and away from the DCED. The board would be in DCED for administrative purposes only.

This bill will have no fiscal impact on the Department of Public Safety.
