ANALYSIS: (Attach a separate page if necessary)

This bill will repeal AS 28.05.095(e) that will, in affect, change seat belt violations from a "secondary" violation to a "primary" violation. This will allow law enforcement officers to contact motorists when a seatbelt violation is observed. As the law is now, the officer must have another reason to contact the violator before enforcement action can be taken for the seatbelt violation.

It is anticipated the implementation of this bill will have no fiscal impact on the Department of Public Safety.
