Part-time	*	*	*	*	*	*
Temporary						

ANALYSIS: (Attach a separate page if necessary)

This bill seeks to reverse mandatory electronic filing as requested by the administration and approved by the legislature in 2003. This bill could have a significant fiscal impact on the Commission in meeting its mission by publishing campaign disclosure information before election day.

It is not known at this time how much of an impact this bill will have. The determining factor will be how many people choose to participate electronically without a legal requirement to do so.
