**ANALYSIS:** (Attach a separate page if necessary)

This bill will provide the Department with management tools necessary to contain costs for DET services on an annual basis. Changes to the eligibility requirements and time frames for applying for financial assistance will allow the department to better project and manage costs within the available funding levels. Current application timelines, i.e. 180 days after date of discharge results in bills for prior year service coming in the first six months of the current fiscal year. This lag makes it extremely difficult for program staff to project the level of funding available for current year program costs. (Continued on next page)

**ANALYSIS CONTINUATION**

DET program expenditures for the last few years have averaged \$500.0 more in general funds than the original budget. In past years, either a supplemental budget request has been appropriated or excess year-end funds within the appropriation were available to cover these additional costs. However, with FY04 budget reductions this is not an option. The program currently anticipates approximately \$500.0 in FY03 claims being received between July 1 - December 31, 2003 having to be paid out of its FY04 budget.

In FY2005 this program will lose federal receipts of \$724.9 (which are reflected in the Governor's budget) that have previously been available for program costs. With these compounding circumstances it is important to implement changes to allow for fiscal management of this program to stay within budgetary authorization. This bill will allow the department to cap payments to the funding levels available, rather than the current open-ended process.

Due to the FY04 and FY05 budget reductions the most that could be expected in FY05 general fund savings would be \$100.0. This represents approximately a 10% general fund reduction.

If these legislative changes are not made to the DET program, the only alternatives available to the department for this program would be requests for supplemental appropriations or to decline payment of the bill which could result in legal action.
