**ANALYSIS:** (Attach a separate page if necessary)

This bill would provide lease and contract extensions for real property up to a maximum extension of 10 years if a minimum cost saving of at least five percent below market rates on the rent due under the lease are achieved; or a contract for goods or services for up to a maximum extension of five years if a minimum cost savings of at least five percent may be achieved on the price established in the contract. The bill also exempts real property leases from disability related preferences. While the bill allows for greater flexibility and greater potential savings, it is not possible to quantify them. No additional funds will be necessary as a result of this bill.
