ALASKA STATE LEGISLATURE

TWENTY-THIRD LEGISLATURE -- FIRST SESSION

Juneau, Alaska

Thursday

May 15, 2003

One Hundred Fifteenth Day

Pursuant to adjournment the House was called to order by Speaker Kott at 11:13 a.m.

Roll call showed 32 members present. Representatives Holm and Joule had been previously excused from a call of the House today. Representatives Berkowitz, Chenault, Gatto, Rokeberg, and Williams were absent and their presence was noted later.

Representative Coghill moved and asked unanimous consent that Representative Croft be excused from a call of the House today. There being no objection, it was so ordered.

The invocation was offered by the Chaplain, Pastor Gary Waterhouse of Juneau and Sitka Seventh-day Adventist Churches. Representative Meyer moved and asked unanimous consent that the invocation be spread on the journal. There being no objection, it was so ordered.

O Lord, You who have set no boundaries to Your love, now grant to the leaders of this state that same love as they make decisions that affect the residents and visitors to the great state of Alaska. That love was stated beautifully when our Lord said in the "golden rule" to "Do unto others as you would have others do unto you." May we live and make decisions based upon that statute.

We are somewhat overwhelmed as we see what must be accomplished in the next seven days. You never disappoint us, so we ask for Your help. Help us to focus on our most

pressing needs, and with You by our side to guide and strengthen us, we cannot fail. Thank You for hearing our prayer. In Your name we pray. Amen.

The Pledge of Allegiance was led by the Sergeant-at-Arms.

CERTIFICATION OF THE JOURNAL

Representative Coghill moved and asked unanimous consent that the journal for the 114th legislative day be approved as certified by the Chief Clerk. There being no objection, it was so ordered.

The Governor's transmittal letter dated May 14, 2003, follows:

"Dear Speaker Kott:

Under the authority of art. III, sec. 18, of the Alaska Constitution, I am transmitting a bill relating to the receipts of certain state agencies and accounting for those receipts. The bill would eliminate authority for the segregation of and separate accounting for program receipts. These receipts are collected principally under AS 37.10.050 in the form of fees, licenses, taxes, or other money generated by state agency activities. If these receipts were not statutorily designated as "program receipts", they would be considered assets of the unrestricted general fund. Under provisions of existing law, these receipts keep their identity even though they are deposited in the general fund of the state. Separate accounts are kept within the general fund from which the legislature appropriates for purposes usually related to sources from which the receipts are derived.

This bill would repeal the authority for the separate accounting of program receipts. The bill also would amend parts of the enabling statutes of state agencies that authorize separate accounting of specific receipts.

Separate accounting has the effect of segregating these receipts from other amounts in the general fund. It also tends to place artificial restrictions on the ability to expend from the general fund and is contrary to the spirit of the Alaska Constitution's prohibition against dedicated funds. The legislature retains the power to appropriate these receipts for any public purpose and it is this power that distinguishes the practice of designating program receipts from a legal dedication for a specific purpose. However, the designations made by law operate in the same manner as earmarking. It is inefficient fiscal policy and I hope that this bill will serve as a basis for reconsidering the treatment of these valuable state assets.

Finally, eliminating program receipts as a funding source in the various major appropriation bills would lead to a more easily understood and transparent budget. Designated program receipts are general fund assets. However, these receipts currently are declared to be a funding source apart from the general fund for budgeting purposes. By use of this device, funding sources in the budget bills have shifted from the general fund to program receipts. If this practice is eliminated, the public would have a full accounting of all the state's revenue that is earned by the state and appropriated for public purposes.

To avoid disrupting the process for the fiscal year 2004 budgets, the changes made by the bill would not take effect until July 1, 2004.

I urge your favorable consideration of this bill.

Sincerely,
/s/
Frank H. Murkowski
Governor"
