8 EXPLANATION:

9 An amendment in the House Finance Committee put \$200,000 Exxon Valdez Oil Spill Trust
10 (EVOS) funding in a different place than the Department of Fish and Game subcommittee's
11 original action, and Legislative Finance inadvertently added \$200,000 to both the original
12 allocation and the new allocation.

13

14 To match the action taken by the House Finance Committee, this amendment deletes
15 \$200,000 Exxon Valdez Oil Spill Trust (EVOS) funding from Commercial Fisheries Special
16 Projects.
