19 No money appropriated in this appropriation may be expended for an abortion that is not a
 20 mandatory service required under AS 47.07.030(a). The money appropriated for Health and
 21 Social Services may be expended only for mandatory services required under Title XIX of the
 22 Social Security Act and for optional services offered by the state under the state plan for
 23 medical assistance that has been approved by the United States Department of Health and
 24 Human Services. This statement is a statement of the purpose of the appropriation and is
 25 neither merely descriptive language nor a statement of legislative intent.

26 It is the intent of the legislature that the Department continues to aggressively pursue
 27 Medicaid cost containment initiatives undertaken in fiscal 2005. While individual
 28 components of the original initiatives may be unattainable, work should continue on others
 29 where the Department believes additional cost containment is possible including further
 30 efforts to contain travel expenses. The Department must initiate efforts imposing regulations
 31 controlling and materially reducing the cost of Personal Care Attendant (PCA) services.

1 Efforts must be initiated to impose regulations screening applicants for Residential Psychiatric
 2 Treatment Center (RPTC) services, especially for out-of-state services. The department must
 3 address the entire matrix of optional Medicaid services, reimbursement rates and eligibility
 4 requirements that are the basis of the Medicaid growth algorithm. This work is to utilize the
 5 results of the Medicaid Assessment and Planning analysis that was funded in the FY05 budget
 6 and will be available in early FY06. The legislature requests that by January 2006 the
 7 Department be prepared to present projections of future Medicaid funding requirements under
 8 our existing statute and regulations and be prepared to present and evaluate the consequences
 9 of viable policy alternatives that could be implemented to lower growth rates and reducing
 10 projections of future costs.

11 **Alaskan Pioneer Homes** **30,763,000** **13,744,700** **17,018,300**

12 It is the intent of the legislature that the Department establishes regulations requiring all
 13 residents of the Pioneer Homes to apply for all appropriate benefit programs prior to a state
 14 subsidy being provided for their care from the State Payment Assistance program.

26 It is the intent of the legislature that the department reviews its procedures surrounding the
 27 awarding of recurring grants to assure that applicants are regularly evaluated on their
 28 performance in achieving the missions of the Department related to their specific grant and
 29 that the recipients' performance be measured and incorporated in to the decision whether to
 30 continue awarding grants.
