5 (c) If voters reside within a service area that provides road, fire protection, or

7 the majority of the voters residing in the service area who vote on the question. A
8 service area that provides road, fire protection, or parks and recreation services in

12 on the question residing in the area proposed to be included within the new service
13 area but outside of the existing service area. A service area that provides road, fire

1 or combined with another service area unless that proposal is approved, separately, by
2 a majority of the voters who vote on the question and who reside in each of the service

4 subsection does not apply to a proposed change to a service area that provides fire
5 protection services that would result in increasing the number of parcels of land in the
6 service area or successor service area if the increase is **not** [NO] more than six percent
7 and would add **not** [NO] more than 1,000 residents. **This subsection does not apply**

12 **or consolidation proposal, or to ensure that adequate service is provided to the**
13 **residents of a service area that is the subject of the abolishment or consolidation**
14 **proposal.**
