 12 regulations adopted by the department to deny employment to an individual who was
 13 selected for hire as an employee, including during a period of provisional
 14 employment, the entity or individual service provider is not liable in an action brought
 15 by the individual based on the employment determination resulting from the

29 under this chapter;

30 (4) investigate

31 (A) entities described in AS 47.32.010(b);

1 (B) applicants for licensure, including individuals named in an
2 application; and

3 (C) other persons that the department has reason to believe are
4 operating an entity required to be licensed under this chapter, or are residing or
5 working in an entity for which licensure has been sought under this chapter;
6 this subparagraph does not apply to persons receiving services from an entity

22 licensure are approved by the department under this chapter or regulations
23 adopted under this chapter;

1 AS 29.35.200 - 29.35.210. The department shall make the delegation described in this
 2 subsection within 90 days after receiving a written request from the municipality to
 3 delegate the authority. A municipality receiving a delegation under this subsection
 4 may adopt additional requirements for child care facilities operating within the
 5 boundaries of the municipality if the requirements meet or exceed the requirements
 6 under state law.

7 (c) The issuance of a license by the department does not obligate the
 8 department to place or maintain an individual in an entity or through an entity, or to
 9 provide financial support to an entity.

10 **Sec. 47.32.040. Application for license.** A person shall apply to the
 11 department for a license under this chapter. The application must be made to the
 12 department on a form provided by the department or in a format approved by the
 13 department, and must be accompanied by

15 (2) documents and information required by regulation.

16 **Sec. 47.32.050. Provisional license; biennial license.** (a) The department
 17 may issue a provisional license to an entity for which application is made under
 18 AS 47.32.040 if, after inspection and investigation, the department determines that the
 19 application and the entity meet the requirements of this chapter, regulations adopted
 20 under this chapter, and any other applicable statutes or regulations. A provisional
 21 license is valid for a period not to exceed one year, except that the department may
 22 extend a provisional license for one additional period not to exceed one year.

23 (b) Before expiration of a provisional license issued under (a) of this section,
 24 the department shall inspect and investigate the entity to determine whether the entity
 25 is operating in compliance with this chapter, regulations adopted under this chapter,
 26 and any other applicable statutes or regulations. After inspection and investigation
 27 under this subsection and before expiration of a provisional license, the department
 28 shall issue a biennial license for the entity if the department finds that

29 (1) the entity meets the requirements for biennial licensure established
 30 in this chapter, regulations adopted under this chapter, and other applicable statutes
 31 and regulations;

1 (2) a ground for nonrenewal of a license does not exist; and

2 (3) any applicable fee has been paid.

3 (c) The department may place one or more conditions on a provisional or
4 biennial license issued under this section in order to further the purposes of this
5 chapter.

6 **Sec. 47.32.060. License renewal.** (a) At least 90 days before expiration of a
7 biennial license, a licensed entity that intends to remain licensed shall submit an

11 required for renewal of the license; and

12 (2) any fee established by regulation.

13 (b) Before expiration of a biennial license, the department or its representative

16 chapter, and other applicable statutes or regulations. After any inspection and
17 investigation under this subsection and before expiration of the biennial license, the
18 department shall renew a biennial license if the department finds that

19 (1) the licensed entity meets the requirements for renewal;

20 (2) a ground for nonrenewal of a license does not exist; and

21 (3) any applicable fee has been paid.

22 (c) If an application for renewal of a license is submitted but the department is
23 unable to complete its review of the application before the expiration of the biennial
24 license, the license is automatically extended for six months or until the department
25 completes its review and either approves or denies the application, whichever occurs
26 earlier.

27 (d) The department may place one or more conditions on a renewed license
28 issued under this section to further the purposes of this section.

29 (e) The department shall adopt regulations establishing the grounds for
30 nonrenewal of a license for purposes of AS 47.32.050 and this section.

31 **Sec. 47.32.070. Denial of or conditions on license.** (a) If the department

1 denies an application for or places conditions on a provisional or biennial license or

 4 for the action and information about requesting a hearing under (b) of this section.

5 (b) An applicant or entity that receives a notice of action under (a) of this
 6 section may appeal the department's decision by requesting a hearing within 15 days
 7 after receipt of the notice. The appeal must be on a form provided by the department
 8 or in a format approved by the department.

9 **Sec. 47.32.080. Posting of license; license not transferable.** (a) A license
 10 issued under this chapter shall be posted in a conspicuous place on the licensed
 11 premises. Any notice of a variance issued by the department shall be posted near the
 12 license.

13 (b) A license issued under this chapter is not transferable unless authorized by
 14 the department.

15 **Sec. 47.32.090. Complaints and investigation.** (a) A person who believes
 16 that an entity has violated an applicable statute or regulation or a condition of a license
 17 issued under this chapter may file a verbal or written complaint with the department.

18 (b) The department may investigate a complaint filed under this section. The
 19 department may decline to investigate a complaint if the department reasonably
 20 concludes and documents that the complaint is without merit based on information
 21 available to the department at the time of the complaint. The department may
 22 consolidate complaints if the department concludes that a single investigation would
 23 further the efficient administration of this chapter.

24 (c) A licensed entity may not take retaliatory action against a person who files
 25 a complaint. Except as provided in AS 47.05.350 and AS 47.32.160, a complainant
 26 against whom a retaliatory action has been taken may recover treble damages in a civil
 27 action upon a showing that the action was taken in retaliation for the filing of a
 28 complaint.

29 **Sec. 47.32.100. Cooperation with investigation.** An entity shall cooperate
 30 with an investigation initiated by the department. An investigated entity shall

31 (1) permit representatives of the department to inspect the entity;

1 review records, including files of individuals who received services from the entity;
2 interview staff; and interview individuals receiving services from the entity; and

3 (2) upon request, provide the department with information and
4 documentation regarding compliance with applicable statutes and regulations.

5 **Sec. 47.32.110. Right of access and inspection.** (a) A designated agent or
6 employee of the department shall have right of access to an entity

7 (1) to determine whether an application for licensure or renewal is
8 appropriate;

9 (2) to conduct a complaint investigation;

10 (3) to conduct a standard inspection;

11 (4) to inspect documents, including personnel records, accounts, the
12 building, or the premises;

13 (5) to interview staff or residents; or

14 (6) if the department has reasonable cause to believe that the entity is
15 operating in violation of this chapter or the regulations adopted under this chapter.

16 (b) If an entity denies access, the department may petition the court for an
17 order permitting access, or the department may seek to revoke the entity's license
18 under AS 47.32.140.

19 (c) Upon petition of the department and after a hearing held upon reasonable
20 notice to the entity, the court shall issue an order to an officer or employee of the
21 department authorizing the officer or employee to enter for any of the purposes
22 described in (a) of this section.

23 **Sec. 47.32.120. Report.** (a) Within 10 working days after completing an
24 investigation or inspection under AS 47.32.090 - 47.32.110, the department shall

26 report to the entity. The report shall include a description of

27 (1) any violation, including a citation to each statute or regulation that
28 has been violated; and

29 (2) any enforcement action the department intends to take under
30 AS 47.32.130 or 47.32.140.

31 (b) An entity that receives a copy of a report under this section may submit a

1 written response to the report to the department. The department may require an entity
2 to submit a response to a report received under this section.

3 (c) Within 14 days after the entity receives a copy of the report under this
4 section, upon request of the complainant, the department shall provide a copy of the
5 report to the complainant.

6 **Sec. 47.32.130. Enforcement action: immediate revocation or suspension.**

7 (a) If the department's report of investigation or inspection under AS 47.32.120
8 concludes that the department has reasonable cause to believe that a violation of an
9 applicable statute or regulation has occurred that presents an immediate danger to the
10 health, safety, or welfare of an individual receiving services from the entity, the
11 department, without an administrative hearing and without providing an opportunity to
12 cure or correct the violation, may immediately revoke or suspend the entity's license
13 or, if the entity is not licensed under this chapter, may revoke the entity's ability to
14 become licensed under this chapter or to provide services as an entity exempted under
15 this chapter. A suspension or revocation under this subsection takes effect
16 immediately upon initial notice to the entity from the department, is in addition to any
17 enforcement action under AS 47.32.140, and continues until a final determination
18 under (c) of this section or AS 47.32.150.

19 (b) Notice under this section shall be provided as follows:

23 entity, the department shall post written notice on the front door of the entity; the
24 initial notice must provide information regarding the entity's appeal rights;

25 (2) the department shall provide formal written notice to the entity
26 within 14 working days after the immediate revocation or suspension decision; formal
27 written notice must include

6 enforcement action the department intends to take under AS 47.32.140(d) or (f), by
7 filing a written request for a hearing, on a form provided by the department, within 15
8 days after receipt of the notice. If a hearing is not timely requested under this
9 subsection, the department's notice constitutes a final administrative order for which
10 the department may seek the court's assistance in enforcing.

11 **Sec. 47.32.140. Enforcement actions.** (a) If the department's report of
12 investigation or inspection under AS 47.32.120 concludes that the department has

14 occurred, the department shall provide notice to the entity of the violation and an
15 opportunity to cure the violation within a reasonable time specified by the department.
16 The notice must include a copy of the department's report under AS 47.32.120, a
17 statement that the entity may submit a written response to the report, any department
18 requirement that the entity submit a written response to the report, a description of any
19 enforcement action the department intends to take under (d) or (f) of this section, and
20 information regarding the entity's appeal rights.

21 (b) An entity receiving a notice under (a) of this section, or a notice under
22 AS 47.32.130(b)(2) that contains the information specified in AS 47.32.130(b)(2)(B),
23 shall submit a plan of correction to the department for approval. Once it has cured its
24 violations, the entity shall submit to the department an allegation of compliance.
25 Upon receipt of the allegation of compliance, the department may conduct a follow-up
26 investigation or inspection to determine compliance. The department may take one or
27 more enforcement actions under (d) and (f) of this section regardless of whether the
28 entity achieves compliance under this subsection.

29 (c) If the department believes that an entity has not voluntarily corrected the
30 violation or entered into a plan of correction with the approval of the department, the
31 department may require that the entity participate in a plan of correction under

1 regulations of the department. Once the entity has cured its violations, it shall submit
2 to the department an allegation of compliance. Upon receipt of the allegation of
3 compliance, the department may conduct a follow-up investigation or inspection to
4 determine compliance. The department may take one or more enforcement actions
5 under (d) and (f) of this section regardless of whether the entity achieves compliance
6 under this subsection.

7 (d) The department may take one or more of the following enforcement
8 actions under this section:

9 (1) delivery of a warning notice to the licensed entity and to any
10 additional person who was the subject of the investigation or inspection;

11 (2) modification of the term or scope of the entity's existing license,
12 including changing a biennial license to a provisional license or adding a condition to
13 the license;

14 (3) suspension of the entity's operations for a period of time set by the
15 department;

16 (4) suspension of or a ban on the entity's provision of services to
17 individuals not already receiving services from the entity for a period of time set by
18 the department;

19 (5) nonrenewal of the entity's license;

20 (6) revocation of the entity's license or, if the entity is not licensed
21 under this chapter, revocation of the entity's ability to become licensed under this
22 chapter;

23 (7) issuance of an order requiring closure, immediate or otherwise, of
24 the entity regardless of whether the entity is licensed or unlicensed;

25 (8) denial of payments under AS 47.07 for the entity's provision of
26 services to an individual not already receiving services from the entity;

27 (9) assumption of either temporary or permanent management of the
28 entity or pursuit of a court-ordered receiver for the entity;

29 (10) reduction of the number of individuals receiving services from the
30 entity under the license;

31 (11) imposition of a penalty authorized under law;

1 (12) inclusion in the registry established under AS 47.05.330;

2 (13) requirement that the entity prepare and submit a plan of
3 correction.

4 (e) The department may not take action under (d)(9) of this section unless the
5 commissioner has reasonable cause to believe that continued management by the
6 entity while the entity is attempting to cure a violation would be injurious to the
7 health, safety, or welfare of an individual who is receiving a service from the entity.

8 (f) In addition to any other enforcement actions the department may take
9 under this section, the department may assess a civil fine against an entity for a
10 violation of an applicable statute or regulation, taking into account the type and size of
11 the entity and the type and severity of the violation. A fine assessed under this
12 subsection may not exceed \$2,500 a day for each day of violation for a continuing
13 violation or \$25,000 for a single violation.

14 (g) An entity to which a notice has been provided under this section regarding
15 an enforcement action under (d) or (f) of this section may appeal the department's
16 decision to impose the enforcement action by filing a written request for a hearing, on
17 a form provided by the department, within 15 days after receipt of the notice of the
18 enforcement action.

19 (h) An enforcement action under (d) or (f) of this section may not be imposed
20 until

21 (1) the time period for requesting a hearing under AS 47.32.130(c) or
22 under (g) of this section, as applicable, has passed without a hearing being requested;
23 or

24 (2) a final agency decision has been issued following a hearing
25 requested under AS 47.32.130(c) or under (g) of this section, as applicable.

26 (i) If a hearing is not timely requested under AS 47.32.130(c) or under (g) of
27 this section, as applicable, the department's notice regarding an enforcement action
28 under (d) or (f) of this section constitutes a final administrative order. The department
29 may seek the court's assistance in enforcing the final administrative order.

30 (j) An entity against which an enforcement action under (d) or (f) of this
31 section has been taken may not apply for a license or license renewal until after the

1 time period set by the department in its final administrative order under
 2 AS 47.32.130(c), this section, or AS 47.32.150, as applicable. If a time period has not
 3 been set, a final administrative order against the entity has the effect of a permanent
 4 revocation and the entity may not apply for a license or license renewal. If the
 5 ownership, control, or management of an entity changes, the department may allow
 6 the entity to seek licensure if the entity submits documents showing the change.

7 (k) Assessment of a civil fine under this section does not preclude imposition
 8 of a criminal penalty under AS 47.32.170.

9 **Sec. 47.32.150. Hearings.** (a) Upon receipt of a timely request for a hearing
 10 by an entity regarding an enforcement action under AS 47.32.130(a) or
 11 47.32.140(d)(3), (5), (6), (7), or (9), the department shall request the chief
 12 administrative law judge appointed under AS 44.64.020 to appoint an administrative
 13 law judge employed or retained by the office of administrative hearings to preside
 14 over a hearing conducted under this section. AS 44.62.330 - 44.62.630 and
 15 AS 44.64.060 apply to the hearing.

16 (b) Upon receipt of a timely request for a hearing by an entity regarding an
 17 enforcement action under AS 47.32.070 or 47.32.140(d)(1), (2), (4), (8), (10), (11),
 18 (12), or (13), the department shall conduct a hearing in front of an officer appointed by
 19 the commissioner. A hearing under this subsection may be conducted on the record,
 20 in an informal manner, and may not be conducted under AS 44.62 or AS 44.64. The
 21 appointed hearing officer may be a state employee.

22 (c) The decision following a hearing conducted under (a) or (b) of this section
 23 constitutes a final agency administrative order.

24 (d) A hearing conducted under this section shall take place within 120 days
 25 after the department's receipt of the request for hearing. A hearing may be held on an
 26 expedited basis upon a showing of good cause. An expedited hearing shall be held
 27 within 60 days after the department's receipt of the request for a hearing.

28 **Sec. 47.32.160. Immunity.** (a) The department, its employees, and its agents
 29 are not liable for civil damages as a result of an act or omission in the licensure
 30 process, the monitoring of a licensed entity, or any activities under this chapter.

31 (b) A volunteer who works for a hospice program licensed under this chapter

1 is not liable for damages for personal injury, wrongful death, or property damage for
 2 an act or omission committed in the course of hospice-related duties unless the act or
 3 omission constitutes gross negligence, recklessness, or intentional misconduct.

4 **Sec. 47.32.170. Criminal penalty.** A person who intentionally or with
 5 criminal negligence violates a provision of this chapter or a regulation adopted under
 6 this chapter related to the health and safety of persons served by an entity required to
 7 comply with this chapter is guilty of a class B misdemeanor.

 9 as otherwise provided by law, the following are confidential and may not be disclosed
 10 to the public without a court order: complaints; investigations; inspections; records
 11 related to a complaint, investigation, or inspection; and the identity of a complainant
 12 and of individuals receiving services from an entity.

13 (b) With the exception of information that identifies a complainant or a
 14 recipient of services from an entity, a copy of the department's report of investigation
 15 or inspection under AS 47.32.120, an entity's written response to the report, and
 16 information regarding any department imposition of an enforcement action under
 17 AS 47.32.130 or 47.32.140 are public records under AS 40.25. The department shall
 18 make this information available to the public for inspection and copying within
 19 timeframes specified in AS 40.25 or regulations adopted under AS 40.25 after the

20 (1) entity receives its copy of the report of investigation under
 21 AS 47.32.120, if the department has determined that an enforcement action under AS
 22 47.32.130 or 47.32.140 will not be taken regarding the entity;

23 (2) department's notice of enforcement action under AS 47.32.130 or

 25 AS 47.32.130(c) or 47.32.140(i); or

26 (3) issuance of a decision following a hearing under AS 47.32.150.

27 **Sec. 47.32.190. Access to information.** Notwithstanding any contrary
 28 provision of law, the divisions of the department assigned public health and public
 29 assistance functions shall have access to any information compiled or retained by
 30 other divisions within the department, regardless of the nature of the information or
 31 whether the information is considered confidential, in order to assist in administering

1 the provisions of this chapter.

3 provide the department with written notice of a change of mailing address at least 14
4 days before the effective date of the change.
