Temporary						

ANALYSIS: (Attach a separate page if necessary)

According to information provided by the Department of Fish and Game, it is anticipated 100 new licenses will be purchased. Under AS 23.35.060(a) the Fishermen's Fund will receive 39% of the revenue (\$1,053.00).

The revenues to the Fund generated by the new licenses (\$30 for a seven day license) compare favorably to those from annual licenses (\$21.06) that expose the Fund to much longer periods of potential liability. However, licensees who are tourists or otherwise inexperienced in fisheries may be more likely to sustain an injury. *Consequently, the ultimate impact on the Fund's claim payment outlays is indeterminate.
