ANALYSIS: (Attach a separate page if necessary)

This legislation has no fiscal impact to the Department of Public Safety. State troopers and local law enforcement already handle violations for the crime of assault, so this statute will not increase the numbers we deal with and should instead act as a deterrent. Violence in our schools is a major problem in our nation. This bill will strengthen law enforcement's ability to deal with crimes that are directed at employees of schools. It will add a minimum term of 60 days imprisonment for convictions of assault in the fourth degree against school employees.
