**ANALYSIS:** (Attach a separate page if necessary)

This bill amends AS 12.55.135 (Sentencing for misdemeanors) by amending subsection d so that a 60 day sentence would be imposed for assault in the fourth degree if the assault is committed against an employee of an elementary, junior high, or secondary school while the employee was engaged in the performance of school duties while on school ground, on a school bus, at a school-sponsored event, or in the administrative offices of a school district at the time of the assault. Most assaults in schools are committed by juveniles, and there aren't enough cases to result in a fiscal impact on the Department of Law as a result of passage of this legislation.
