This bill adds a new subsection under AS 12.30.020 (Code of Criminal Procedures - Bail - Release before trial.) relating to review of bail conditions. The proposal would adopt requirements regarding the notice and timing before a subsequent bail hearing could be scheduled. It also requires the person in custody to provide a written statement that information not considered in the previous review will be presented, including a description of the new information.

Passage of this legislation will have no fiscal impact on the Department of Law.
