ANALYSIS: (Attach a separate page if necessary)

This legislation would allow DNR to convey title to an isolated parcel of state owned land, through negotiated sale to an adjacent land owner at fair market value, if the parcel is smaller than 20 acres and is completely enclosed by property owned by the adjacent land owner.

Other than a small but indeterminate amount of revenue expected to be generated from the sale of an anticipated small number of parcels, there is no anticipated significant fiscal impact associated with this proposed legislation. DMLW's existing preference right staff will process these additional preference rights sales, as DMLW received a budget increment for these purposes starting in FY06.
