**ANALYSIS:** (Attach a separate page if necessary)

This bill extends the sunset date on the oil and gas exploration credit against production tax (SB185, CH59, SLA03) only for the proposed Alaska Peninsula sale area. The proposed Alaska Peninsula sale is tentatively scheduled for fall of 2005. It is anticipated that leases would not be issued until spring 2006. It is likely that exploration expenditures on these leases would occur after the current July 1, 2007 deadline, in which case they would not be credited against future production taxes unless the current statute is amended.

\*\*\* An extension of the sunset deadline to the proposed sale area may encourage additional or higher competitive bids, although these additional revenues are impossible to predict or quantify.
