**ANALYSIS:** (Attach a separate page if necessary)

This bill proposes to establish a civil administrative fine to allow for an alternative to the current criminal penalty for contractor licensing violations. Criminal penalties are difficult to pursue for contractor licensing violations. The standard of proof and the formality required in the investigation process are much higher in a criminal case and the District Attorney must agree to pursue the case to achieve a penalty. When weighed against other criminal violations competing for the District Attorney's time, licensing violations are generally a low priority and may not be prosecuted. The administrative civil fine is expected to provide a more efficient means of enforcement. The fiscal impacts of the administrative fine and hearing process are not expected to be significant and will be absorbed at current funding levels. The administrative fines are expected to produce unrestricted General Fund revenues. The specific amount of revenue cannot be accurately estimated.
