Temporary						

ANALYSIS: (Attach a separate page if necessary)

This bill seeks to address the issue of school violence by adopting an aggravating factor in sentencing a person convicted of felony assault directed at a school employee. The bill would deter minors 16 years and older from committing felony offenses involving misconduct with weapons in the first and second degrees by holding them accountable to the same legal consequences as adults. Passage of this legislation will not have a foreseeable fiscal impact on the Department of Law.
