ANALYSIS: (Attach a separate page if necessary)

This bill amends the crime of indecent exposure in the first degree, a class C felony offense, to include when an offender commits indecent exposure in the second degree (a class A misdemeanor) and has been previously convicted for it in this state or by a similar law from another jurisdiction. The Agency does not handle a significant number of second degree indecent exposure charges, therefore, if this bill were enacted, it is not expected to have a significant fiscal impact on the operations of the Agency.
