ANALYSIS: (Attach a separate page if necessary)

This proposed bill amends the crime of manslaughter to include deaths that are the direct result of ingesting drugs knowingly manufactured or delivered illegally. It also amends the crime of child endangerment to include a C felony for manufacturing methamphetamine in a building where children reside. It also raises to an A felony possession of methamphetamine in an organic solution. While the agency has seen a recent increase in appointments concerning methamphetamine cases, this proposed legislation is not expected to have a noticeable fiscal impact on the operations of the Agency.
