ANALYSIS: (Attach a separate page if necessary)

This Bill Amends AS 11.66 by adding a new section making sex trafficking an offense against public health and decency. A person commits this crime if that person recruits, entices, harbors, transports, provides, or obtains a person or benefits from doing so and the person who engages in a commercial sex act is less than 18 years of age at the time of recruitment, enticement etc. or was forced, coerced, or fraudulently induced to engage in a sex act. An additional subsection makes is a similar offense to organize, arrange, sell or advertise sex tourism packages or facilitate such packages or travel services.

The Department of Law does not expect many prosecutions to result from this statute change and thus does not anticipate any fiscal impact from its passage.
