ANALYSIS: (Attach a separate page if necessary)

Under this bill the Division of Motor Vehicles (DMV) would be required to physically 'mark' a driver's license and state issued identification card if the holder's privilege to purchase alcohol has been restricted. The DMV today has no knowledge of a persons conditions of probation or parole.

Until the number of customers and method of information transmission is ascertained in conjunction with the Alaska Court System, the DMV has no ability to measure the impact this will have on our planned operation. As a result we respectfully submit an indeterminate fiscal note.

Once this criteria has been established, the DMV will provide a firm estimate of costs incurred and revenue generated as a result.
