**ANALYSIS:** (Attach a separate page if necessary)

The bill represents three modifications to existing fisheries business tax licensing and surety bond requirements: 1) it adds the Seafood Marketing Assessment, UI tax, and OSHA fines to the list of state liabilities that must be paid in full to obtain and hold a fisheries business license; 2) lowers the requirements for payment of UI tax from a processors surety bond while retaining priority for employees and fishermen; and 3) increases protections in place for employees and fishermen by modifying the rules under which bonding requirements are raised for processors that fail to pay employees, fishermen, or UI tax.

We do not expect to incur additional costs as a result of the legislation. We expect to collect additional Seafood Marketing Assessments under this legislation.
