ANALYSIS: (Attach a separate page if necessary)

This bill amends AS 11.81.900(b)(15) which is the criminal definition for "dangerous instrument." It adds "hands or other objects when used to impede normal breathing or circulation of blood by applying pressure on the throat or neck or obstructing the nose or mouth" to the definition.

This additional language adds clarity and will aide us when we have assault cases that involve strangulation and/or choking of victims.

Passage of this bill will have no fiscal impact on the Department of Public Safety.
