ANALYSIS: (Attach a separate page if necessary)

This bill amends AS 21.36 preventing an automobile insurer from taking adverse action against an insured driver because of a violation relating to an overweight vehicle. The bill repeals and reenacts AS 45.75.380 (b) (Weights and Measures Act - General Provisions) by specifying new violations and fines for certain increments by which a vehicle is found to be overweight. The bill further specifies that a motor carrier who is found to exhibit a pattern or practice of violations under the new sections of AS 45.75.380 (a) or (b) (as amended) is subject to a \$500 dollar fine. The current law simply imposes the \$500 fine for any violation of the vehicle weight limit plus \$.05 for each pound over the weight limit.

The Department of Law's Collections section already bears responsibility for collecting any fines imposed under the current structure to the extent they are forwarded for collection by the Court System. There may be an indeterminate change to the amount collected through passage of this
