ANALYSIS: *(Attach a separate page if necessary)*

CS HB 271 (HES) establishes limitations on overtime for Registered Nurses (RNs) in health care facilities and requires reporting of any overtime, with the overtime designated as voluntary or mandatory by the RN. The intent of HB 271 is to eliminate mandatory overtime for RNs unless the overtime is due to a grave and unforeseen event. Under the bill, use of mandatory overtime in excess of the bill's limitations will result in a report to the Department of Labor.

"Overtime" (OT) means the hours worked in excess of a predetermined and regularly scheduled shift that is agreed on by a nurse and a health care facility. Mandatory OT to address an unforeseen emergencies is not subject to the limitations or penalties under the bill.
