ANALYSIS: (Attach a separate page if necessary)

The RCA will have no financial impact from this legislation, anticipating that the regional solid waste management authority would be exempt from regulation as indicated in Sec. 3 of this legislation unless it directly competes with a utility subject to AS 42.05.

Typically, the RCA's jurisdiction is invoked by AS 42.05.990(4)(F), which defines a "public utility" to include any public corporation that owns, operates, manages, or controls any plant or system for furnishing collection and disposal service of garbage, refuse, trash or other waste to the public for compensation. Thus, the regional authority may be a public utility subject to AS 42.05, depending on the scope of the management of solid waste undertaken.
