ANALYSIS: (Attach a separate page if necessary)

This bill contains provisions that change medical assistance eligibility in AS 47.07.020 , which will increase the workload of Eligibility Technicians.

Section 7, subsection (j-k) limits who may apply for medical assistance for a person under 18 years of age.

Section. 7, subsection (l) requires that persons applying for medical assistance must enroll for Medicare if eligible.

These provisions increase workload by requiring Eligibility Technicians to spend more time with applicants searching for legal guardians or parents of minors, and assisting eligible persons to enroll in Medicare.

ANALYSIS CONTINUATION

MINORS APPLYING FOR MEDICAID

Currently, any adult may apply on behalf of a minor and minors may apply for themselves. Section 7, subsections (j) and (k) provide that only an adult who has a legal or vested interest may apply for Medicaid on behalf of a child under age 18. The department must make reasonable efforts to contact the parent or legal guardian before granting a waiver of consent. If a waiver of consent is granted, the department must document the reason for the waiver in the child's medical assistance record. Under this provision, Division staff will have to spend more time with applicants to contact and obtain consent of the parent or legal guardian or document a waiver.

Total Annual Costs = \$110.6 thousand for an additional 1.5 positions plus an extra \$4.4 thousand in FY07

Assumptions:

- ~Approximately 3800 minor children apply for Medicaid each year.
- ~An additional 45 minutes per application, on average, will be needed for eligibility staff to contact a minor applicant's parent(s) or legal guardian to obtain consent (or make a reasonable attempt to obtain consent) for the application, or to gather enough information needed to waive consent.
- ~3800 applications/per year x 45 minutes = 171,000 minutes per year or 2,850 hours
- ~Eligibility staff work 162 hours/month x 12 = 1944 hours/year
- ~2850 hours per year/1944 hours per technician = 1.5 workers
- ~Average personnel costs for an Eligibility Technician II is \$64,944/year
- ~One-time cost for computers and software in FY2007 = \$2,200/position
- ~Annual costs for office space, phones & supplies = \$8,800/position
- ~1 Eligibility Technician II full time = \$64,944 + 1 Eligibility Technician II part-time = \$32,472 = \$97,416/year
- ~Supplies & contractual costs for 1.5 positions = \$15,400 in FY07; \$13,200/year FY08 and beyond

ENROLLMENT IN MEDICARE

Currently, enrollment in Medicare is optional for medical assistance applicants. Section 7, subsection (l) requires that a person who is eligible must first enroll in the Medicare program before they are eligible to receive benefits through Medicaid. Under this provision Division staff will have to spend more time with applicants to evaluate Medicare eligibility and monitor their continued enrollment in Medicare.

Total Annual Costs = \$73.7 thousand for an additional 1 position plus an extra \$2.2 thousand in FY07

Assumptions:

- ~On average, 1800 individuals per month appear eligible for, and not enrolled in Medicare
- ~Eligibility for Medicare will be assessed at initial application and during the 6-month eligibility review
- ~Eligibility staff will need an additional 60 minutes per month to evaluate an individual's eligibility for Medicare, and to require and monitor enrollment as a condition of eligibility for Medicaid
- ~1800 individuals per month x 60 mins/case = 1800 hours/12 months = 150 hours/month

ANALYSIS CONTINUATION

- ~Average personnel costs for an Eligibility Tech II is \$64,944/year
- ~One-time cost for computers and software in FY2007 = \$2,200/position
- ~Annual costs for office space, phones & supplies = \$8,800/position
- ~1 Eligibility Technician II full time = \$64,944/year
- ~Supplies & contractual costs for 1 position = \$15,400 in FY07; \$13,200/year FY08 and beyond

Other Assumptions:

- ~The bill takes effect July 1, 2006; however, implementation would be delayed until the 4th Quarter while waiting for approval of a Medicaid State Plan Amendment. For this reason, FY07 is 25% of a full year.
- ~The federal matching rate is 50%.
- ~The other sections of this bill will not substantially increase the workload and do not need a fiscal note in this component.
