Part-time						
Temporary						

ANALYSIS: (Attach a separate page if necessary)

Section two decreases the biennial winery license fee from \$500 to \$100.

****There are six wineries in Alaska. They are evenly split in the biennial license cycles, meaning that three will renew in even numbered fiscal years and three renew in odd numbered years. So the loss of revenue to the state would be 3 x \$400 = \$1,200 each fiscal year.
