ANALYSIS: (Attach a separate page if necessary)

The intent of this bill is to allow civil courts, juvenile courts and the department (through informal adjustment) to hold minors and parents financially responsible for the full amount of the damage when juveniles commit property offenses, especially vandalism. In addition, it adds the requirement to revoke a juvenile's driver's license when s/he has been adjudicated (or informally adjusted) of any misdemeanor, felony or similar municipal violation. Further, the bill sets a length of time for license revocation, including an expanded length of time for revocation when there is repeat or habitual minor consuming, in possession or control, whether the offense is handled formally or informally adjusted.

We do not anticipate that this bill will have a budgetary impact for the Division of Juvenile Justice.
