ANALYSIS: (Attach a separate page if necessary)

SB 48 proposes to accomplish three major things: 1) prohibit public schools from recommending mental health services and/or psychotropic medication for students; 2) prohibit public schools from reporting suspected abuse or neglect if the only concern is that a parent or guardian refuses to consent to proper mental health treatment for a child; and, 3) prohibit the DHSS from taking custody based solely on a parent or guardian's refusal to consent to proper mental health treatment for a child. There would be no fiscal impact to the department.
