ANALYSIS: (Attach a separate page if necessary)

This bill amends or creates statutes and rules to provide for 1) notice of certain rights to alleged victims of sexual assault; 2) mandatory arrest for all crimes of sexual assault, violations of protective orders and violations of conditions of release in sex assault cases; and 3) protective orders for alleged victims of sex assault when not a crime of domestic violence. Under current practice, most people charged with sexual assault, a violation of a protective order or a condition of release in a sex assault case, are already arrested. This bill, if enacted, is not expected to have a fiscal impact on the operations of the Agency.
