Temporary						

ANALYSIS: (Attach a separate page if necessary)

This bill adds the Alaska Medical Injury Compensation Reform Act of 2005 to uncodified law of the State of Alaska. It also adds a new section to the Code of Civil procedure in order to place limits on the amount of recoverable damages for personal injury or wrongful death based on the provision of services by a health care provider.

Passage of this legislation will have no foreseeable fiscal impact on the Department of Law.
