Temporary						

ANALYSIS: (Attach a separate page if necessary)

Passage of this bill will have no direct fiscal impact on the Department of Public Safety.

The repeal of AS 19.40.210 would allow the use of off-road vehicles, within the five miles of the right of way of the Dalton Highway. This right of way is known as the "highway corridor". If repealed, the Alaska State Troopers would expect to see increased off-road traffic due to the unrestricted access for hunting, fishing, and other recreational purposes. To explain further, there is currently only one trooper stationed in Coldfoot. Additional troopers will have to be temporarily assigned to this area to assist with enforcement efforts on a year around basis, rather than only during periods of high use, which has traditionally been during the late summer and early fall seasons.
